MADE IN SWEDEN

DELTA REPUBLIC

PRESS RELEASE

Stockholm, January 2019

A tribute to the shoelace

LACEY No20 STOOL is a light-hearted, three-legged tribute to the shoelace. With its unique and playful design, the stool takes a given place in warm homes and creative work settings. "A smile in the mind" with quality and care in every detail.

LACEY No20 STOOL is made in Lammhult in Småland, Sweden, and is designed by Klas Lindstrand for Delta Republic.

The stool is made in a limited edition of 120 stools per year. There is no standard range. Every stool is signed and numbered.

LACEY No20 STOOL is available with three different seats and in eight different fabric colors.
